

## Skills Manitoba 2016

On April 14 a group of HBOIERC Hairstyling and Fashion students made the trip to Winnipeg to attend the Skills Manitoba Competition taking place at Red River College. Along with the opportunity to view multiple trade challenges we were excited to support our entrant in the Bridal Up-do portion of the hairstyling competition. Makenna McKay, a grade 9 student represented our school with confidence and skill. There were 14 competitors from across the province displaying exceptional hairstyling talent in this category. We are proud to announce that Makenna came in 2<sup>nd</sup> overall, winning the silver medal and proving that dedication and hard work pays off!
